

2024 SAIL PARK CITY REGATTA

Saturday, July 20

The Sail Park City Regatta raises funds for Swim Across the Sound, the organization that has supported Connecticut cancer patients for over 35 years with transportation to medical appointments, and assistance with rent, mortgage, and utility payments.

The Regatta is one in a series of Swim events that raises more than \$1 million annually. Thanks to the generosity of our sailors and supporters, the Regatta contributed over \$5,000 to the Swim last year!
